

Call to Artists

Display your work at WisCorps/Myrick Park Center

The Gallery at Myrick Park Center

We invite artists who reside in or have ties to the La Crosse area to submit their photography or artwork for the chance to show it on a temporary basis. The Gallery at Myrick Park Center is in the La Crosse Room at our headquarters. This room is one of three rooms at Myrick Park Center that can be reserved by the public for meetings and events. Selected art will be on display for four months and then, art created by a different artist or group of artists will be chosen for the next four months. The selected artist(s) may hold an opening reception for their work. If the opening reception is held on the first Wednesday of the month between 5:30pm-8pm, the La Crosse Room reservation is no charge. If you prefer to have adult beverages during your reception, you may schedule the entire facility for 2 hours on an available Tuesday evening for \$90 total. Additional policies apply.

Guidelines for Submission

All artwork must be two-dimensional and original. Each piece needs to be framed or have a finished gallery edge with an appropriate wire for hanging. Artwork must be delivered and picked up by artist or designee. Some potential themes to consider when creating and selecting art for submission include conservation, nature, the La Crosse River Marsh, Driftless Area, animals, recreation, inclusion, and any other theme relevant to WisCorps and Myrick Park Center. Artists are not limited to these themes. Please do not submit any artwork that is related to religion, politics, or violence as many different groups of people use this space, we are committed to promoting diversity and inclusion, and the building is owned by the City of La Crosse. If you wish to display art other than originally submitted, additional approval from the committee is required.
